I. BACKGROUND INFORMATION

The mission of the New York State Unified Court System (UCS) is to deliver equal justice under the law and to achieve the just, fair and timely resolution of all matters that come before our courts. In the service of our mission, the UCS is committed to operating with integrity and transparency, and to ensuring that all who enter or serve in our courts are treated with respect, dignity, and professionalism. We affirm our responsibility to promote a court system free from any and all forms of bias and discrimination and to promote a judiciary and workforce that reflect the rich diversity of New York State. More information about the UCS is available at <https://www.nycourts.gov>.

UCS operates problem-solving courts, among them drug courts, which help judges and court staff respond to the needs of litigants and the community. Problem-solving courts look to the underlying issues that bring people into the court system, employ innovative approaches to address those issues, and seek to simplify the court process for litigants. A drug court involves an intervention by the court in cooperation with a team of specialists in social services, treatment, and criminal justice professionals in the local community. In return for a promise of a reduced sentence, appropriate non-violent addicted offenders are given the option of entering voluntarily into court-supervised treatment. The rules and conditions of participation are clearly stated in a contract entered into by the defendant, the defense attorney, the district attorney, and the court.

II. PROJECT INFORMATION

UCS is the recipient of a grant (the “Grant Award”) awarded by the U.S. Department of Health and Human Services Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Treatment (CSAT) for the purpose of funding the Nassau County Problem Solving Courts. Pursuant to the terms of the Grant Award, \$1,771,401 is the maximum available funding for Project Services (as set forth in Article V below) performed during September 30, 2024 – September 29, 2029, provided, however, that such period may be extended upon mutual agreement of Grantor and UCS (the “Project Term”). UCS reserves the right to request a no-cost extension of the Project Term from the Grantor.

UCS anticipates that the selected applicant will be designated a “subrecipient” rather than a “contractor” for purposes of federal requirements of the Grant Award.

UCS further reserves the right to set aside a bid award to a successful bidder if it is unsuccessful in negotiating a satisfactory contract within a time frame acceptable to the UCS, in which event UCS may then invite the next responsible and responsive bidder with the next highest evaluation score to enter into negotiations for purposes of executing a contract.

Responsible Bidder

A bidder shall be defined as "responsible" in accordance with, but not limited to: references, past performance history, financial stability, responses to the Vendor Responsibility Questionnaire (see Attachment III-Vendor Responsibility Questionnaire), the criteria set forth in the paragraph headed "Rejected and Unacceptable Bids/Proposals/Awards," as well as any other criteria necessary and reasonable to establish the bidder's responsibility.

Subcontracting

Subcontracting, and any other transfer of any duties or obligations to be performed hereunder, will be permitted only with the prior written consent of UCS to the proposed subcontractors. In the event that bidder proposes to use one or more subcontractors, the specific subcontractors and the services proposed to be performed by such subcontractors, must be listed in bidder's proposal. If a bidder that proposes to use one or more subcontractors is awarded the contract, the award will constitute the prior written approval of UCS to the subcontractors named in the bidder's proposal. All subcontracts shall be in writing and contain provisions which are functionally identical to, and consistent with, the provisions of the Contract. Unless waived in writing by UCS, all subcontracts between the Contractor and subcontractors shall expressly name UCS as the sole intended third-party beneficiary of such subcontract. UCS reserves the right to review, approve, or reject any subcontract, as well as any amendments to said subcontract(s), and

this right shall not make the UCS or the State of New York a party to any subcontract or create any right, claim, or interest in the subcontractor or proposed subcontractor against UCS or the State.

The awarded contractor will be the prime contractor and will be responsible for all services required by this RFP. The UCS will communicate only with awarded contractor, and the awarded contractor shall remain wholly liable for the performance by, and payment to, any such subcontractors, their employees, agents, consultants or representatives. UCS may require subcontractors to provide evidence of insurance, as applicable, prior to UCS approval. If total compensation to any subcontractor exceeds \$100,000 in the aggregate, the subcontractor must submit and certify a Vendor Responsibility Questionnaire.

Contractor shall give UCS immediate notice in writing of the initiation of any legal action or suit which relates in any way to a subcontract with a subcontractor or which may affect the performance of the Contractor's duties under the Awarded Contract.

Termination

Early termination of the contract for cause may result in, among other consequences, all remedies available to UCS and New York State, including, but not limited to: the awarded contractor both being declared non-responsible by the UCS/OCA pursuant to the UCS and Office of the State Comptroller's guidelines on vendor responsibility and/or being removed from the UCS/OCA applicants list for future solicitations.

A. Early Termination for Budget Modification

1. If the UCS Budget ("Budget") is modified (a "Budget Modification," defined in subsection 2 below) for any State fiscal year included in the term of the awarded contract, in whole or in part (including any renewal or extension term), such that UCS determines, in its sole discretion, that it is necessary to reduce, eliminate, or otherwise modify the budget allocation covering payment thereunder, UCS shall have the option to terminate the awarded contract upon not less than thirty (30) days' notice to awarded contractor, without liability for costs, expenses or damages as a result thereof.
2. For purposes of this subsection A, Budget Modification shall mean and include, with respect to the Budget or any appropriation contained therein:
 - i. any reduction, elimination or restriction upon access thereto as provided by law; or
 - ii. any restriction placed on UCS' spending authority, including any restriction imposed by UCS upon itself in response to a request of the Executive or Legislative Branch of government.
3. Termination hereunder shall be further governed by the termination provisions contained in the awarded contract, as applicable.

B. Early Termination for Cause

Early termination of the contract for cause may result in, among other consequences, all remedies available to UCS and New York State, the awarded contractor both being declared non-responsible

by the UCS/OCA, pursuant to the UCS and Office of the State Comptroller’s guidelines on vendor responsibility and in the awarded contractor’s removal from the UCS/OCA’s bidders list for future solicitations.

Unified Court System Self-Insurance

UCS, a New York State governmental entity, is self-retained for risk of loss and liability.

Work for Hire

If awarded contractor produces any materials for UCS pursuant to this RFP, such work shall be deemed “work for hire” and shall be governed by the terms of Exhibit 6 (Appendix B: Terms and Conditions Applicable to Materials Produced Under the Agreement).

APPENDIX B

Terms and Conditions Applicable to Materials Produced Under the Agreement

1. Contractor acknowledges and agrees that UCS has ordered and/or specially commissioned the services, deliverables and materials that Contractor is required to produce pursuant to this Agreement (the “Work”), whether in written form, on tape, computer-readable media or other tangible or intangible form. Except as otherwise specified in this Appendix B, Contractor agrees that: (i) UCS shall be the sole owner of the Work; and (ii) the Work shall be considered a “work made for hire” as that term is used under federal and state law. UCS or its authorized designee shall have all right, title, and interest of every kind and nature, whether now known or hereafter devised and including, without limitation, all copyrights and renewals and extensions thereof, in and to the Work, including without limitation any editions and versions thereof, without payment of any royalty or other compensation. Without limiting the foregoing, and except as otherwise specified in this Appendix B, if all or any part of the Work is not so deemed a “work made for hire,” Contractor hereby irrevocably grants, assigns, transfers, and sets over to UCS or its authorized designee all rights of any kind and nature in and to the Work that he/she/it may possess or come to possess, including without limitation all copyrights and renewals and extensions thereof, without payment of any royalty or other compensation. Contractor agrees to execute and deliver to UCS any assignments and other documents requested by UCS confirming the assignment to UCS or its authorized designee of all rights in the Work and to fully cooperate with UCS in registering and protecting UCS’s rights to and interests in the Work. Upon request of UCS during any stage thereof, Contractor shall deliver all such Work to UCS. To the extent an assignment is not effective under applicable law, Contractor grants UCS an exclusive, perpetual, royalty-free, fully-paid, irrevocable, worldwide, transferable license to use, reproduce, distribute, and commercialize any deliverables to the fullest extent permissible and effective under applicable law. Contractor shall cooperate with UCS, at UCS’s request, as reasonably required to perfect or secure UCS’s rights, including executing appropriate documents.

2. Contractor represents and warrants that the Work shall be created solely by Contractor, be original, and does not infringe upon the copyright, trademark, patent, or other proprietary rights of any third party, including without limitation the right to use or display the name, face, or likeness of any person. Furthermore, Contractor represents and warrants that the Work and any other materials used in connection with this Agreement shall not include or incorporate in any way the work or materials of any third party with rights to such work or materials, or the name, face, or likeness of any person, unless Contractor has: (i) advised UCS of this; and (ii) the appropriate written authorizations, releases, licenses, or other permits to allow UCS and Contractor to use the Work and any other materials used in

connection with this Agreement without violating such rights have been obtained and delivered to UCS. The form of such authorizations and other documents is subject to UCS's approval.

3. All rights granted to UCS hereunder are irrevocable and shall vest and remain perpetually vested in UCS and UCS's successors and assigns without payment of any royalty or other compensation, whether this Agreement expires or is terminated, and shall not be subject to rescission, cancellation, or termination by Contractor for any cause whatsoever.

4. If applicable, Contractor shall own and retain all pre-existing proprietary rights to any materials, tools, templates, or methodologies produced or licensed by Contractor prior to the Effective Date, or not as a result of this Agreement ("Contractor's Property"), even if such materials are incorporated into the Work. If any such materials are incorporated into the Work, Contractor hereby grants to UCS or its authorized designee, in perpetuity, at no additional cost or expense, a royalty-free, fully-paid, the non-exclusive, irrevocable worldwide license to reproduce, display, and otherwise use Contractor's Property as part of the Work.

5. If master tapes are created in the production of the Work, upon receipt of final payment for the Work, Contractor will provide these to UCS, except for the master tapes to Contractor's Property (if applicable).

6. If requested by UCS, Contractor shall include in the Work a copyright notice in the following form: "Copyright (or ©) [year] New York State Unified Court System. All rights reserved." If applicable, the notice shall be computer-readable and clearly visible to viewers for at least three seconds.

7. Contractor shall indemnify, defend, and hold UCS, its administrative officers, directors, employees, and authorized agents harmless from and against all claims, costs, liability, and damages, including reasonable attorneys' fees and disbursements: (i) resulting from the Contractor's breach of representation or warranty made herein; or (ii) arising in connection with an allegation that UCS's use of the Work (if any) or any other deliverable, if any, infringes any patent, trade secret, copyright, or any other proprietary right, including, without limitation, the rights to use or display a person's name, face, or likeness.

8. This Appendix B shall survive expiration or termination of this Agreement.
