## **I. Background Information and Instructions**

The New York State Unified Court System (UCS) Office of Court Administration's Division of Professional and Court Services is soliciting proposals for the purpose of establishing a contract to provide mental health support services for the City of Newburgh Drug Treatment Court (DTC).

UCS operates problem-solving courts, among them drug courts, which help judges and court staff respond to the needs of litigants and the community. Problem-solving courts look to the underlying issues that bring people into the court system, employ innovative approaches to address those issues, and seek to simplify the court process for litigants. A drug court involves an intervention by the court in cooperation with a team of specialists in social services, treatment, and criminal justice professionals in the local community. In return for a promise of a reduced sentence, appropriate non-violent addicted offenders are given the option of entering voluntarily into court-supervised treatment. The rules and conditions of participation are clearly stated in a contract entered into by the defendant, the defense attorney, the district attorney, and the court.

UCS has applied for funding from the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance for the purpose of funding the DTC treatment court and the Veteran's Track to enhance court operations and complimentary service designed to decrease the responsivity needs of the participants with co-occurring disorders (COD). The project will enhance mental health services, increase community outreach and enhance recovery support services. The project aims to improve service delivery and outcomes and reduce relapses and recidivism rates for justice involved individuals with COD.

UCS seeks proposals from a licensed mental health provider doing business within or with the capacity to do business within the City of Newburgh to provide mental health support services. This includes evaluation and treatment planning services and appropriate trauma-specific treatment services to the DTC and the Veteran's Track.

The selected applicant will:

- through the provision of licensed mental health clinicians, the applicant will: provide an expedited mental health evaluation within a week of referral for all Phase I participants whether or not the individual has health insurance; assess the treatment needs of participants; medication management and linkages/referrals to mental health supports or increased level of care or provide evidence-based treatment services to treatment court participants; report to the court on the participants' attendance, compliance with medications (if applicable) and stability of mental health;
- provide participants with the appropriate level of individual and group counseling along with placing those clients in other treatment groups that are recommended according to their individual needs (if applicable);

- link with the applicant’s medical doctor for referrals for medication-assisted treatment related to mental health if needed;
- collaborate with project and court staff to ensure that participant services are designed to accommodate the participant’s vulnerabilities and prevent re-traumatization;
- utilize the scope of knowledge of mental health issues and provide further screening for unaddressed needs;
- act as a liaison between the applicant and the courts, as well as with the county’s existing mental health systems to share information and make appropriate referrals;
- work closely with the Resource Coordinator and treatment court staff to provide information required by the granting agency; and
- assist with data collection and performance measures.

Applicants must provide appropriate supervision and oversight for any staff included on this project. The successful applicant’s staffing plan should include:

Treatment staff necessary to fulfill the treatment needs of the project including staff to facilitate trauma-informed services in a group setting. Staff should include a trauma specialist who holds a master’s degree with a background in mental health.

Awards will be made to qualified organizations which are non-profit entities, tax-exempt under the Internal Revenue Code. Applicants must have facilities in Orange County or the ability to provide services within the City of Newburgh.

### VENDOR RESPONSIBILITY REQUIREMENTS

The New York State Unified Court System (UCS) is required to conduct a review of a prospective contractor to provide reasonable assurances that the vendor is responsible. The Vendor Responsibility Questionnaire, a required component of all UCS solicitations, is designed to provide information to assist the UCS in assessing a vendor's responsibility prior to entering into a contract with the vendor. Vendor responsibility is determined by a review of each prospective contractor's legal authority to do business in NYS, business integrity, financial and organizational resources, and performance history (including references).

UCS recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep system maintained by the Office of the State Comptroller.

If you are already enrolled, go directly to the VendRep System online at: <https://portal.osc.state.ny.us>. To enroll, see the VendRep System Instructions available at: [http://www.osc.state.ny.us/vendrep/vendor\\_index.htm](http://www.osc.state.ny.us/vendrep/vendor_index.htm). Vendors must provide their NYS Vendor Identification Number when enrolling.

Alternatively, vendors may choose to complete and submit a paper questionnaire. Vendors opting to complete and submit a paper questionnaire can obtain the appropriate form from the VendRep website: [http://www.osc.state.ny.us/vendrep/forms\\_vendor.htm](http://www.osc.state.ny.us/vendrep/forms_vendor.htm).

To request assignment of a Vendor Identification Number or for VendRep System assistance, contact the Office of the State Comptroller's Help Desk at 866-370-4672 or 518-408-4672 or by email at [ciohelpdesk@osc.state.ny.us](mailto:ciohelpdesk@osc.state.ny.us).
