I. BACKGROUND INFORMATION

The mission of the New York State Unified Court System (UCS) is to deliver equal justice under the law and to achieve the just, fair and timely resolution of all matters that come before our courts. In the service of our mission, the UCS is committed to operating with integrity and transparency, and to ensuring that all who enter or serve in our courts are treated with respect, dignity, and professionalism. We affirm our responsibility to promote a court system free from any and all forms of bias and discrimination and to promote a judiciary and workforce that reflect the rich diversity of New York State. More information about the UCS is available at <https://www.nycourts.gov>.

The UCS Office of Court Administration's (OCA) Division of Grants, Contracts & Procurement (DGCP) is soliciting proposals via this Request for Proposals ("RFP") for the purpose of providing evaluation services for the courts in the six (6) counties participating in the New York State Overdose Intervention Initiative: Fulton and Clinton in the 4th Judicial District; Herkimer in the 5th Judicial District; Monroe and Wayne in the 7th Judicial District; and Cattaraugus in the 8th Judicial District. Specific courts within each of the participating counties, which may include criminal, family and civil courts, will be identified through the planning process and with technical assistance guidance.

The widespread misuse of drugs, including opioids and stimulants, has led to a historic surge in overdose deaths in New York, and this crisis demands urgent and comprehensive action across systems to provide effective prevention, treatment, and recovery support. The UCS's Office for Justice Initiatives has worked to address this crisis through the development of innovative treatment courts and by regularly assisting judges and court staff in addressing the needs of vulnerable individuals involved in our criminal and family justice systems. The UCS currently operates 93 adult drug treatment courts and 31 opioid intervention courts to help address these complex issues and prevent overdoses. Independent evaluations have shown that New York's treatment courts reduce reoffending, promote long-term recovery, and reduce system costs. The UCS now seeks to meet the needs of a broader population of justice-involved individuals who are at high risk of overdose but may not be eligible for treatment diversion. Through the Overdose Intervention Initiative, the UCS will enhance the ability of communities to address the high risk of overdose by rapidly connecting court users at high risk of overdose to critical, lifesaving treatment and recovery support services.

II. PROJECT INFORMATION

UCS is the recipient of a grant (the "Grant Award") by the U.S. Department of Justice, Bureau of Justice Assistance ("BJA" or the "Grantor") to provide process evaluation services for the courts in six (6) counties in New York State identified as high priority jurisdictions that demonstrated an annual increase in overdose death rates exceeding 50%: Cattaraugus, Clinton, Fulton, Herkimer, Monroe, and Wayne Counties (the "Project"). Pursuant to the terms of the Grant Award, \$718,022 is the maximum available funding for Project Services (as set forth in Article V below) performed during July 1, 2025 – September 30, 2027, provided, however, that such period may be extended upon mutual agreement of Grantor and

UCS (the “Project Term”). UCS reserves the right to request a no-cost extension of the Project Term from the Grantor.

UCS anticipates that the selected applicant will be designated a “contractor” rather than a “subrecipient” for purposes of federal requirements of the Grant Award.

GRANT CHART

Grant Number	Jurisdictions	Project Goals	Maximum Available Grant Term Funding
15PBJA-24-GG-04472-COAP	Multiple Counties, New York State	<p>The goal of the New York State Overdose Intervention Initiative is to improve the courts’ ability to address the high risk of overdose in a broad spectrum of justice-involved populations that are before the court in six high priority jurisdictions and to reduce the impact of illicit opioids, stimulants, and other substances on individuals and communities by supporting comprehensive and collaborative initiatives. Funds will be used to provide process evaluation services for the courts in the six (6) counties that demonstrated an annual increase in overdose death rates exceeding 50%: Cattaraugus, Clinton, Fulton, Herkimer, Monroe, and Wayne.</p> <p>The Project Goal is to reduce the impact of illicit opioids, stimulants, and other substances on individuals and communities by increasing the number of courts and related agencies that assess and refer individuals to appropriate interventions, expanding the use of peer support services, improving access to harm reduction strategies, and enhancing collaboration to prevent, respond to, treat, and support those affected by substance use, including overdose and overdose fatalities.</p>	\$718,022

III. AWARD

UCS intends to award one contract for a term commencing on or about July 1, 2025, and terminating on or about September 30, 2027 (“Contract Term”).

Awarded contractor shall be contractually obligated to provide the Project Services (as described below) for the Project Term, as it may be amended or extended. UCS and awarded contractor shall communicate regularly concerning the remaining amount of grant funds and the approximate timing of complete expenditure.

IV. MINIMUM QUALIFICATIONS

Proposals will be considered only from applicants who meet the following minimum qualifications:

- Individuals or organizations with at least three (3) years of experience performing services relevant to those described herein.

V. PROJECT SERVICES

UCS seeks proposals describing how the applicant will provide the services listed below (“Project Services”). The selected applicant shall be required to:

1. Develop a process evaluation plan, logic model, and action planning in collaboration with UCS, local stakeholders and technical assistance providers (the “Project Team”).
2. Review current databases to ensure all necessary quantitative and qualitative data is collected.
3. Assist the courts and the Project Team in each of the participating counties in collecting and compiling data to analyze data on implementation efforts and in-program outcomes. Design an Excel-based form in collaboration with the Project Team in each of the (6) participating counties to collect performance measures and evaluation data.
4. Complete a process evaluation for the courts in each of the six (6) participating counties (Fulton, Herkimer, Cattaraugus, Monroe, Wayne and Clinton) examining both organizational and individual level measures.
5. Participate in an in-person convening of all six (6) counties to work with the Project Team, interview stakeholders and collect relevant data.
6. Ensure all necessary qualitative and quantitative data is collected for quarterly and annual evaluation reports as required by the Grantor for periodic reporting pursuant to the Government Performance and Results Act (GPRA).
7. Provide recommendations for sustainability and replication.

8. Maintain documentation (such as project logs, reports and records in appropriate files and database(s)).
9. Provide feedback to the Project Team on an ongoing basis to promote continuous quality improvement and make recommendations for data-informed policy changes.
10. Produce a final program evaluation report summarizing overall findings and insights.
11. Provide appropriate supervision and oversight of any staff included on this Project.

VI. INSURANCE REQUIREMENTS

Awarded applicant shall be required to maintain the insurance specified in Exhibit 4 hereto (Insurance Requirements) at its own cost and expense during the Contract Term and any renewal or extension thereof.

VII. AWARD SELECTION CRITERIA AND METHOD OF AWARD

A single award will be made pursuant to this RFP. The selected awardee must: (1) meet the minimum qualifications outlined in Article IV above; (2) be a responsible bidder as determined in accordance with the criteria in Article XII; and (3) receive the highest composite (average technical + cost) score in excess of the minimum score as determined by the selection criteria set forth herein.

Responsibility is determined in accordance with the criteria articulated in the “Responsible Bidder” paragraph set forth in Article XII (General Specifications).

Proposals will be reviewed and rated by a team of qualified UCS staff.

In the event of a tie composite score, the applicant with the higher cost score, i.e., lowest total cost, will prevail.

Proposals will be scored as follows:

Technical Criteria (80%)	Maximum Points
Capacity	30
Proposed Service Delivery	50
Maximum Technical Points	80
Cost (20%)	20
Maximum Cost Points	20
MAXIMUM TOTAL POINTS	100

Organizational capacity and program and staffing plan criteria are contained in the Proposal Rating Tool attached as Exhibit 5 hereto.

Cost submissions will be scored as follows:

The proposal with the lowest cost will be awarded maximum cost points (20); each higher cost proposal will be awarded points according to the following formula:

$$\text{Lowest cost proposal} \div \text{Higher cost proposal} \times 20$$

For example: Assuming the lowest cost proposal is \$100 and the next higher cost proposal is \$125, the \$100 cost proposal would be awarded 20 points and the \$125 cost proposal 16 points based on the following computation:

$$100 \div 125 = (.8) \times 20 = 16$$

Note: A minimum Technical Criteria point score of 40 (average of all evaluators) is required for an award to be made.

This clarifying information, if requested in writing by UCS, must be submitted by the bidder, in accordance with formats as prescribed by UCS at the time said information is requested and, if received by the due date set forth in UCS's request for clarification, shall be included as a formal part of the bidder's proposal. Clarifying information, if any, whether provided orally, visually, or in writing, will be considered in the evaluation process. Failure to provide required information by its associated due date may result in rejection of the bidder's proposal. Nothing in the foregoing shall mean or imply that UCS is obligated to seek or allow clarifications or corrections as provided for herein.

Compliance with Laws

Prior to and during the provision of all services under the contract resulting from this RFP, awarded contractor(s) must comply with all applicable federal, state, and local laws, rules, and regulations, including but not limited to fire, health, and safety codes.

Applicants are advised that any material deemed confidential by applicant may still be subject to disclosure in connection with any governmental or judicial proceeding or inquiry or as may be required by applicable law, including but not limited to Article 6 of the New York Public Officers Law (Freedom of Information Law). Such confidential/proprietary information must be easily separable from the non-confidential sections of the proposal.

Confidentiality and Data Security

Awarded contractor acknowledges that any and all information, records, files, documents, or reports contained in any media format provided to the awarded contractor by the UCS, or which may be otherwise encountered by awarded contractor, shall be considered extremely confidential and shall be handled accordingly at all times. Neither the awarded contractor nor any of its employees, servants, vendors, agents or volunteers shall at any time be permitted to utilize such confidential information for any purpose outside the scope of any resulting agreement from this RFP without the express prior written authorization of UCS. Any breach of this confidentiality by the awarded contractor or by any of its employees, servants, subcontractors, agents, or volunteers, may result in the immediate termination of any resulting agreement by UCS and may subject the awarded contractor to further penalties.

Awarded contractor is prohibited from maintaining confidential files and records provided to or generated by awarded contractor in a mobile or portable device. Remote access to the UCS confidential information is prohibited unless industry standard protocols for remote access are in place (e.g., SSL, VPN). Awarded contractor must accept all requests for services placed by UCS during the term of an awarded contract.

Federal Requirements

If an award made under this bid is funded in whole or in part with federal funds, the bid/award recipient shall, at its cost and expense, promptly and fully comply with, and assist UCS as may be necessary in complying with, any federal requirements applicable to such federal award and funding. Awarded contractor shall indemnify, defend and hold harmless UCS, its officers and employees from and against any and all claims, causes of action, damages, costs, liabilities and expenses of any kind (including reasonable attorneys' fees and the cost of legal defense) which UCS may incur by reason of: (i) awarded contractor's breach of any term, provision, covenant, representation or warranty contained in the contract awarded as a result of this bid; (ii) any act, omission, negligence or intentional misconduct of awarded contractor or its employees, subcontractors, agents, volunteers or of other persons under its direction and control; (iii) awarded contractor's performance or failure to perform under the contract; or (iv) enforcement by UCS of the awarded contract or any provisions thereof.

Independent Contractor Status

It is expressly understood and agreed that the awarded contractor's status shall be that of an independent provider of services and that no officer, employee, servant or subcontractor of the contractor is an employee of the UCS, OCA or State of New York. The awarded contractor shall be solely responsible for the work, assignment, compensation, benefits, and personal conduct and standards of all such persons assigned to the provision of services. Nothing herein shall be construed to impose any liability or duty on the UCS, OCA or State of New York to persons, firms, consultants corporations, or other organizations employed or engaged by the awarded contractor, either directly or indirectly, in any capacity whatsoever, nor shall the UCS, OCA or State of New York be liable for any acts, omissions, liabilities, obligations or taxes of any nature including, but not limited to, unemployment and Workers' Compensation insurance of the awarded contractor or any of its employees or subcontractors.

Minor Bid Irregularities

Provided the same will not materially benefit or disadvantage any particular bidder or substantially alter the requirements of this bid, UCS may: (i) waive technicalities; (ii) waive minor irregularities, omissions or incompletions in the bid or a bid response; (iii) waive any bid requirements that are unmet by all bidders; (iv) consider any and/or all alternatives and/or enhancements suggested by the successful bidder; or (v) make an award under the bid in whole or in part and negotiate contract terms and conditions with the successful bidder to meet UCS requirements consistent with such award.

Notice of Substantial Change in Contractor's Status

In addition to complying with the requirements of State Finance Law Section 138 (requiring prior approval of subcontractors and assignments or conveyances), Contractor shall notify UCS of any substantial change in the ownership, membership, or financial viability of the awarded contractor in writing immediately upon its occurrence. In addition to any other remedies available at law or in equity, UCS shall have the right to cancel the contract, in whole or in part, for cause, if it finds, in its sole judgment, that such substantial change adversely affects the delivery of services under the contract or is otherwise not in the best interests of UCS.

Online RFP Package: Disclaimer

Bidders accessing any UCS/OCA solicitations and related documents from the New York State UCS website www.nycourts.gov/admin/bids under "Current Solicitations" shall remain solely and wholly responsible for reviewing the respective solicitation and bid documents on the internet regularly, up to the scheduled date and time of the bid/proposal due date, to ensure their knowledge of any amendments, addenda, modifications, or other information affecting the solicitation or bid documents in question.

Payment

Awarded contractor shall send true and accurate invoices on a quarterly basis by email or by conventional mail to such person as UCS/OCA shall designate in the contract resulting from this RFP or by such other method to another person at another address as UCS/OCA shall designate.

Payment shall be made quarterly in arrears and shall be made within thirty (30) days of submission by awarded contractor and approval by UCS of invoices satisfactory to UCS and Office of the State Comptroller.

Payment for services performed under the awarded contract shall be conditioned upon the acceptance and approval of such services. Payment shall also be conditioned on whether those services are sufficiently complete both in accordance with the RFP specifications and to the extent necessary for UCS to utilize those services for their intended purpose.

Pricing

All pricing submitted pursuant to the solicitation shall be net and include all costs for the performance of all services required under this solicitation, including transportation costs.

Other than the pricing submitted on the Required Budget Form, there shall be no other charge, cost, reimbursement or expense of any kind payable by UCS in connection with, or arising from, awarded contractor's performance of the services set forth herein. Awarded contractor shall be solely responsible for all costs and expenses incurred in connection with the performance of such services.

Pricing shall be submitted only on, and in the format prescribed by, the Required Budget Form. Bidder must quote pricing on a cost per employee basis and compute all price extensions prompted by Required Budget Form. In the event of a bidder's miscalculation, the unit price will prevail. UCS reserves the right to make mathematical corrections based on unit price(s). Pricing in the awarded contract for amounts in increments not equal to pricing units indicated in the Required Budget Form will be prorated accordingly.

Pricing will remain unchanged during the Contract Term.

Rejected and Unacceptable Bids/Proposals/Awards

UCS reserves the right to reject any and all proposals or bids submitted in response to this solicitation. In addition, UCS may reject any bids/proposals from any bidders who are in arrears to the State of New York upon any debt or performance of any contract; or who have previously defaulted on any contractual obligations (as contracting party, surety or otherwise) or on any obligation to the State of New York; or who have been declared not responsible or disqualified by any agency of the State of New York, or who have any proceeding pending against them relating to the responsibility or qualification of the bidders to receive public contracts, whose proposal is incomplete or otherwise non-responsive in any material respect; or who are found to be non-responsible based on any of the criteria specified in the section headed "Responsible Bidder."

UCS also reserves the right to reject any bidder: (i) whose facilities and/or resources are, in the opinion of OCA, inadequate or too remote from the UCS locations to render services in a timely manner in accordance with all requirements of this solicitation; (ii) who does not provide references in accordance with the bid specifications, or whose references report significant failure to comply with specifications; or (iii) who are otherwise, in the opinion of OCA, unable to meet specifications.

UCS further reserves the right to set aside a bid award to a successful bidder if it is unsuccessful in negotiating a satisfactory contract within a time frame acceptable to the UCS, in which event UCS may then invite the next responsible and responsive bidder with the next highest evaluation score to enter into negotiations for purposes of executing a contract.

Responsible Bidder

A bidder shall be defined as “responsible” in accordance with, but not limited to: references, past performance history, financial stability, responses to the Vendor Responsibility Questionnaire (see Attachment III-Vendor Responsibility Questionnaire), the criteria set forth in the paragraph headed “Rejected and Unacceptable Bids/Proposals/Awards,” as well as any other criteria necessary and reasonable to establish the bidder’s responsibility.

Silence of the Specifications

The apparent silence of the specifications contained as part of this package as to any detail or to the apparent omission of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

Subcontracting

Subcontracting, and any other transfer of any duties or obligations to be performed hereunder, will be permitted only with the prior written consent of UCS to the proposed subcontractors. In the event that bidder proposes to use one or more subcontractors, the specific subcontractors and the services proposed to be performed by such subcontractors, must be listed in bidder’s proposal. If a bidder that proposes to use one or more subcontractors is awarded the contract, the award will constitute the prior written approval of UCS to the subcontractors named in the bidder’s proposal. All subcontracts shall be in writing and contain provisions which are functionally identical to, and consistent with, the provisions of the contract. Unless waived in writing by UCS, all subcontracts between the Contractor and subcontractors shall expressly name UCS as the sole intended third-party beneficiary of such subcontract. UCS reserves the right to review, approve, or reject any subcontract, as well as any amendments to said subcontract(s), and this right shall not make the UCS or the State of New York a party to any subcontract or create any right, claim, or interest in the subcontractor or proposed subcontractor against UCS or the State.

The awarded contractor will be the prime contractor and will be responsible for all services required by this RFP. The UCS will communicate only with awarded contractor, and the awarded contractor shall remain wholly liable for the performance by, and payment to, any such subcontractors, their employees, agents, consultants or representatives. UCS may require subcontractors to provide evidence of insurance,

as applicable, prior to UCS approval. If total compensation to any subcontractor exceeds \$100,000 in the aggregate, the subcontractor must submit and certify a Vendor Responsibility Questionnaire.

Contractor shall give UCS immediate notice in writing of the initiation of any legal action or suit which relates in any way to a subcontract with a subcontractor or which may affect the performance of the Contractor's duties under the awarded contract.

Termination

APPENDIX B

Terms and Conditions Applicable to Materials Produced Under the Agreement

1. Contractor acknowledges and agrees that UCS has ordered and/or specially commissioned the services, deliverables, and materials that Contractor is required to produce pursuant to this Agreement (the "Work"), whether in written form, on tape, computer-readable media or other tangible or intangible form. Except as otherwise specified in this Appendix B, Contractor agrees that: (i) UCS shall be the sole owner of the Work; and (ii) the Work shall be considered a "work made for hire" as that term is used under federal and state law. UCS or its authorized designee shall have all right, title, and interest of every kind and nature, whether now known or hereafter devised and including, without limitation, all copyrights and renewals and extensions thereof, in and to the Work, including without limitation any editions and versions thereof, without payment of any royalty or other compensation. Without limiting the foregoing, and except as otherwise specified in this Appendix B, if all or any part of the Work is not so deemed a "work made for hire," Contractor hereby irrevocably grants, assigns, transfers, and sets over to UCS or its authorized designee all rights of any kind and nature in and to the Work that he/she/it may possess or come to possess, including without limitation all copyrights and renewals and extensions thereof, without payment of any royalty or other compensation. Contractor agrees to execute and deliver to UCS any assignments and other documents requested by UCS confirming the assignment to UCS or its authorized designee of all rights in the Work and to fully cooperate with UCS in registering and protecting UCS's rights to and interests in the Work. Upon request of UCS during any stage thereof, Contractor shall deliver all such Work to UCS. To the extent an assignment is not effective under applicable law, Contractor grants UCS an exclusive, perpetual, royalty-free, fully-paid, irrevocable, worldwide, transferable license to use, reproduce, distribute, and commercialize any deliverables to the fullest extent permissible and effective under applicable law. Contractor shall cooperate with UCS, at UCS's request, as reasonably required to perfect or secure UCS's rights, including executing appropriate documents.

2. Contractor represents and warrants that the Work shall be created solely by Contractor, be original, and does not infringe upon the copyright, trademark, patent, or other proprietary rights of any third party, including without limitation the right to use or display the name, face, or likeness of any person. Furthermore, Contractor represents and warrants that the Work and any other materials used in connection with this Agreement shall not include or incorporate in any way the work or materials of any third party with rights to such work or materials, or the name, face, or likeness of any person, unless Contractor has: (i) advised UCS of this; and (ii) the appropriate written authorizations, releases, licenses, or other permits to allow UCS and Contractor to use the Work and any other materials used in

connection with this Agreement without violating such rights have been obtained and delivered to UCS. The form of such authorizations and other documents is subject to UCS's approval.

3. All rights granted to UCS hereunder are irrevocable and shall vest and remain perpetually vested in UCS and UCS's successors and assigns without payment of any royalty or other compensation, whether this Agreement expires or is terminated, and shall not be subject to rescission, cancellation, or termination by Contractor for any cause whatsoever.

4. If applicable, Contractor shall own and retain all pre-existing proprietary rights to any materials, tools, templates, or methodologies produced or licensed by Contractor prior to the Effective Date, or not as a result of this Agreement ("Contractor's Property"), even if such materials are incorporated into the Work. If any such materials are incorporated into the Work, Contractor hereby grants to UCS or its authorized designee, in perpetuity, at no additional cost or expense, a royalty-free, fully-paid, non-exclusive, irrevocable worldwide license to reproduce, display, and otherwise use Contractor's Property as part of the Work.

6. If requested by UCS, Contractor shall include in the Work a copyright notice in the following form: "Copyright (or ©) [year] New York State Unified Court System. All rights reserved." If applicable, the notice shall be computer-readable and clearly visible to viewers for at least three seconds.

7. Contractor shall indemnify, defend, and hold UCS, its administrative officers, directors, employees, and authorized agents harmless from and against all claims, costs, liability, and damages, including reasonable attorneys' fees and disbursements: (i) resulting from the Contractor's breach of representation or warranty made herein; or (ii) arising in connection with an allegation that UCS's use of the Work (if any) or any other deliverable, if any, infringes any patent, trade secret, copyright, or any other proprietary right, including, without limitation, the rights to use or display a person's name, face, or likeness.

8. This Appendix B shall survive expiration or termination of this Agreement.
