

Request for Bid OCA-DGCP-051: Historical Courtroom Chair Restoration

Amendment #2 and Response to Questions from Vendor

With respect to the Historical Courtroom Chair Restoration Request for Bid issued on September 15, 2025 (the “RFB”), the New York State Unified Court System (“UCS”) received questions from a vendor after the deadline to submit questions. In order to encourage participation from vendors and share important information about this RFB, UCS has responded below to the questions received, and will also accept additional questions until Wednesday October 15, 2025 at 2:00 PM. UCS will respond to any additional questions received by this deadline and post the responses on the UCS website at www.nycourts.gov/admin/bids under Current Solicitations, RFB# OCA-DGCP-051.

1. We missed the visit on 8th, would you allow us to visit during next week, so that we can submit our bid?
 - a. Please refer to Amendment # 1 to the RFB. UCS is waiving the requirement in the RFB for vendor attendance at the mandatory site visit.
2. Any state estimated budget for this project? Let us know if that information is available just to confirm if funding is available for this project.
 - a. While UCS will not share the amount of funding available for this chair restoration project, it can confirm that funding is available.
3. Can we send our bid package to your email?
 - a. No. Proposals will not be accepted electronically or by fax. Only proposals submitted by hand delivery or mail will be accepted. Please refer to RFB Article VII Bid Submission Procedures for additional details.
