

Request for Bid (RFB) # OCA-DGCP-054 UCS Courtroom Wall Seals

Questions and Answers (Q&A)

The deadline to submit questions for this RFB was 10/10/25 at 5:00 PM Eastern Time. Below are the questions received by this deadline and New York State Unified Court System's (UCS) responses.

1. **A.** We are located in Charleston, SC - Are we still eligible to bid this project?

**UCS Response to 1 A:** Vendor's location will not automatically disqualify a vendor, however, UCS may consider whether vendor's facilities and/or resources are too remote from the UCS locations to render goods and services in a timely manner in accordance with the RFB requirements. Prior to making an award, UCS may undergo an additional review to ensure that the vendor's location will not impact the timely completion of the goods and services.

2. **B.** Can you send us a picture of the current seal?

**UCS Response to 2 B:** A rendering of the seal was provided in the RFB specifications. Please see Exhibit C: Artwork Rendering.
